

ESSENDON PANELS

QUALITY SMASH REPAIRS

Essendon

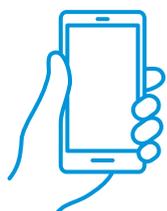

Pascoe Vale

We are a family run business that operates a chain of panel beating shops in Melbourne's north-west.

Since a change of management in 2016, new owners Nick and Michelle have brought the business into the future by investing in cutting edge technology to ensure their team of fully qualified professionals use only the best paints and materials to repair your vehicle.

Essendon Panels has a longstanding reputation for quality and excellence, and prides itself on delivering a lifetime guarantee on all workmanship.

With us you're not just a number: our hands-on approach means our owners are on-site daily to offer a personalised customer service experience, and to manage your vehicle repair process from start to finish.

What we offer

- **A replacement vehicle when you book your smash repairs with us***

Let us take away the inconvenience of repair work by offering you a free courtesy vehicle for the duration of your repairs.

- **Discounted excess on all insurance work**

Our competitive business model allows us to offer a negotiable discount on the excess payable to your insurance company.

- **Lifetime warranty on all repairs**

We treat all vehicle damage with the respect it deserves by only using genuine parts and offering a lifetime guarantee on our workmanship.

- **Free smash repair quotes within 24 hours**

Our fully qualified staff will assess your vehicle and provide quotation to your insurance company.

- **Towing services**

We offer a towing service to transport your vehicle to one of our workshops.

- **Complimentary Uber services to and from our workshop**

Book with Essendon Panels and we'll pay for your pick up and drop off to our workshop if you do not require a replacement vehicle.

- **Cutting edge technology to handle all aspects of automotive repairs**

Our unique spray booth can accommodate medium sized vehicles such as limousines and vans, and our state of the art colour matching technology ensures a perfect match for your car.

- **End to end management of the vehicle repair process**

Our personalised customer service approach means we take care of your repairs from start to finish, including liaising with your insurer on your behalf.

- **Two convenient locations**

Essendon Panels has two stores located within easy reach of Melbourne CBD and the Tullamarine Freeway, with each branch offering secure storage for up to 20 vehicles.
